

CRYING UNDERWATER

G **G7**
Too many times
C **Cm**
I try, I wonder why
G **Bm** **Am**
Knowing that you're wrong, again
G **G7**
Send me away
C
send me anywhere
Cm **G** **Am**
You don't even have to care, today
D
But I want to say

G
Sometimes
C **D**
Everything he brought her
G
Don't help
Am **D**
She needs to be found
G
He thinks
C **D**
The only thing he taught her is
C **D**
Don't waste tears deeper down
G
Crying underwater

Take a look at her now
She doesn't need a single thing somehow
You're wrong, again
Lend me your fears
Lend me everything
I don't even have to sing, today
But I want to say

Sometimes
Everything he brought her
Don't help
She needs to be found
He thinks
The only thing he taught her
Is don't waste tears deeper down
Crying underwater
